AI TRANSFORMS LEARNING: SMARTER CLASSROOMS AHEAD

F3 Law, CUE & AI Educators partnered together to develop a groundbreaking, ISTE certified course specifically for educators, *"Navigating Legal and Ethical Boundaries in the AI Classroom."* The use of AI is growing in schools—from teachers to students—and it's important to know what's happening and what's allowed. This course will help ensure that teachers know how to use AI effectively, legally and responsibly.
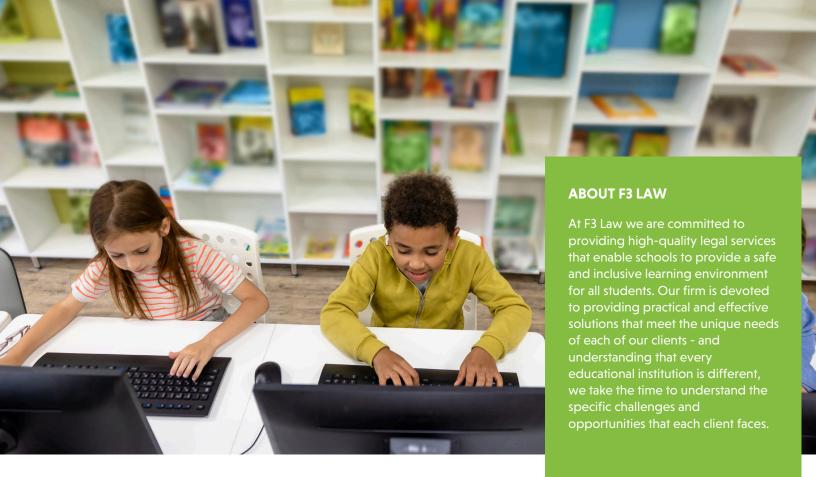

THE COURSE COVERS EIGHT MODULES
• AI 101: Key Terms & Concepts
• Benefits and Risks of AI Tools
• Safeguarding Student Data
• Partnering With Parents for AI Adoption
• Choosing the Right AI Tools
• Proactive Threat Detection
• Confronting Bias in AI
• From Learning to Leading

Scan the code to learn more and enroll in the course.

ABOUT F3 LAW

At F3 Law we are committed to providing high-quality legal services that enable schools to provide a safe and inclusive learning environment for all students. Our firm is devoted to providing practical and effective solutions that meet the unique needs of each of our clients - and understanding that every educational institution is different, we take the time to understand the specific challenges and opportunities that each client faces.
